Sunday August 24, 2014

Speaker: Brent Hunter

A. In many ways Noah is the new **A**_____, but Noah's world is certainly not the new Eden.

B. What can a saved man expect in his new life? He can expect the same things that Noah encountered after he departed the ark!

I. SIN IS STILL A PROBLEM ON THE EARTH (Gen 9:20-27).

A. "For all have **s**_____ and fallen short of the glory of God" (Rm 3: 9, 23). Sin is an internal problem that is not easily washed away.

B. Great sin often happens on the heels of incredible victory (I Cor 10:12, Heb 12:1-3).

C. Powerful sin is sometimes committed even after witnessing its awful **c**_____.

D. Sin attacks not only the new believer, but the seasoned saint.

E. Sin's goal is always to take someone else **d**_____ with us (Gen 9:22).

F. Momentary sins have long-term consequences (Gen 9: 18ff).

II. HEAVEN STILL HAS A PLAN FOR THE EARTH (Gen 9: 11-17).

A. Life, even fallen life, is still a precious **g**_____ from God (Gen 9:4-7).

B. The rainbow is the smile of God's grace after an angry sky.

III. GOD WILL SEND A SAVIOR TO THE EARTH (Gen 9: 25-27).

A. Death still reigns, (Gen 9:29) which points to the necessity of a **d**_____ who is more than a forgiven sinner.

B. God still knows the future (Gen 9:26-27) and predicts that protection and blessing will come from the line of Shem.

C. God is still sending a **s**_____ that would give "rest" to the human race.

CON: You must give your sin to the Savior if you want to *heavenize* your life and the world around you!
